## Career Exploration Centers Supervision Changes

We continue our journey on implementing Employment First Practices and our framework plan will move into the following structural changes. Daisy White, State Director Day Services is leaving Bellwether Behavioral Health on 5/26/17. On 5/30/17 we will be moving to a generalized management structure. The change will mean that each Career Exploration Center will report to the respective Program Director in each region.

The table below will detail each Career Exploration Center and contact name and numbers for each of you to reach our team members.

## Enhanced Service Hours

The State of New Jersey will initiate their Fee For Service Transition on July 1, 2017. In advance of the initiation date, we will begin to enhance service hours for each Career Exploration Center as of 6/12/17. Currently, our centers provided up to 25 total service hours per week for each individual attending. These enhancements will allow individuals to have a total of up to 30 hours of Habilitation and Employment First Services on a weekly basis. The following table will provide the service hours locations for each center.

Career Exploration Center Name and Address	General Hours of Operations Effective 6/12/17
North Union Valley 1783 Union Valley Road, West Milford NJ 07480	9:00-3pm Service Hours
